2. Personal highlights: 3 day spot and stalk for a record book Nyala, Passing up a shot at a 47 inch Eastern Cape Kudu while stalking a 50 inch plus Kudu. The 47 inch was only 30 yards from me. Being able to hunt cull animals with my bow.

3. Comments on performance of guide: Fantastic, knowledge of game, flora, and fauna is second to none. Chris Cawood was my personal guide. He always puts the client on excellent game. Favors the long, slow stalk and letting the hunt develop. Very knowledgeable about the game available on surrounding properties.

4. Comments on performance of outfitter: Excellent. This was my second hunt with Southern Cross Safaris and will be returning with my wife and 3 daughters for a third hunt. Your party is the only one in camp so you get undivided attention and service.
