1. Did you encounter any problems?

The only problem was getting in touch with Jerry the first time after I bought the fishing trip. Once I made email contact with Jerry, we were then able to iron out all the details. The water was quite rough the day of the trip, but none of us got seasick. Jerry has a very nice 31 foot long Tiara boat with a 12 foot beam that does a great job of smoothing out the waves.

2. Personal highlights—

Everyone of the anglers landed a musky topped by the once-in-a-lifetime 52 inch long trophy I was fortunate enough to land near the end of the fishing time.

3. Comments on performance of guide—

Excellent! Jerry is very knowledgeable about musky fishing Lake Saint Clair.

4. Comments on performance of outfitter—

Jerry was a very cordial host to all of us on board.

5. General comments, interesting sidelights, Humanitarian Service (Sportsmen against Hunger/Safari Care etc.)
