1. Did you encounter any problems?

None. Everything was well handled from start to finish. Excellent marks for communication and follow-up. One of the nicest lodges I have seen. We missed the rut by two weeks, so I would suggest booking the last week of September. Lots of walking through difficult terrain, so be prepared.

2. Personal highlights—

Meeting and working with the camp cook. Excellent food for a camp of this size. The camp staff and guides were working constantly to ensure the comfort and success of their "sports" (clients).

3. Comments on performance of guide—

Thomas did a great job. He never faltered and was always prepared and ready to go.

4. Comments on performance of outfitter—

5. General comments, interesting sidelights, Humanitarian Service (Sportsmen against Hunger/Safari Care etc.)

Flew Air Canada from Detroit to Toronto, then connected to Deer Lake after a four hour layover. Had to pay an extra \$75.00 because I was traveling with a firearm.

6. Make & Model of Firearm/Bow: Ruger model 77, .300 Win Mag

Type ammo, bullet grain weight and amount taken: 40 rounds 180 grain Barnes 'X' loaded by Superior Ammunition.

Distances to expect and at what range were trophies taken?

Up to 250 yards.

Optics: Scopes, bino's: Swarovski scope and binos.

Other Spec. Equip. Used. Satellite/Cell phone, GPS, Rangefinders--

None.

7. Would you recommend this hunt to other SCI members? YES  NO

*(Please explain in either case)*

Great outfit, well organized, super camp and staff. It's also convenient having having Chuck Bazy as a local contact.
