IMPORTANT: Please complete this section of personal views—

1. Did you encounter any problems?

Swine Flue outbreak!!!!!!

2. Personal highlights—

Fantastic jungle hunt. The staff was very knowledgeable about the local flora & fauna, as well as the ancient history of the area. Great info on the ancient Myan civilization that once inhabited this area.

3. Comments on performance of guide—

Daniel did a terrific job. Packed out the peccary three miles over his shoulder. Excellent knowledge of native trees.

4. Comments on performance of outfitter—

Very well organised. Great equipment and accommodations. Rustic, spartan camp, but very enjoyable. High marks for communication and follow-up. Excellent shotguns (Browning, Benelli, Beretta) for rent. It's cheaper to rent their shotguns than it is to pay for an import license if you are bringing your own, plus less airport hassle!!

5. General comments, interesting sidelights, Humanitarian Service (Sportsmen against Hunger/Safari Care etc.)

6. Make & Model of Firearm/Bow: Browning shotgun.

Type ammo, bullet grain weight and amount taken: #4 Turkey loads and buck shot.

Distances to expect and at what range were trophies taken?

40 yards

Optics: Scopes, bino's: \_\_\_\_\_

Other Spec. Equip. Used. Satellite/Cell phone, GPS, Rangefinders--

7. Would you recommend this hunt to other SCI members? YES  NO
