1. Did you encounter any problems?

None. Hunted in three different camps and all were enjoyable. Very well organized and first class service.

2. Personal highlights—

Having the Rhino walk out of the brush at less than 10 yards distance. Leon had to physically hold the tracker down to keep him from running.

3. Comments on performance of guide—

Great guys. Very knowledgeable and extremely hard working.

4. Comments on performance of outfitter—

Sandy did a great job. There were four of us hunters from the Detroit SCI Chapter hunting together and everything went perfect. We were all hunting different animals and were often split into different camps, but Sandy pulled it all together flawlessly.

5. General comments, interesting sidelights, Humanitarian Service (Sportsmen against Hunger/Safari Care etc.)

Flew Northwest Airlines into Amsterdam and then KLM down to South Africa. If traveling this route, don't forget your import/export permit to transit through Amsterdam. It takes about 45 days to acquire so plan ahead.

6. Make & Model of Firearm/Bow: Ruger Model 77 .375 H&H and Ruger Model 77 7mm Rem. mag.

Type ammo, bullet grain weight and amount taken: 40 rounds 300 grain Federal Premium softs and 80 rounds 165 grain Barnes X.

Distances to expect and at what range were trophies taken?

Up to 200 yards.

Optics: Scopes, bino's: Swarovski binos and scopes.

Other Spec. Equip. Used. Satellite/Cell phone, GPS, Rangefinders--

7. Would you recommend this hunt to other SCI members? YES  NO

*(Please explain in either case)*

Sandy McDonald has access to all of South Africa, Mozambique and Tanzania. Having Chuck Bazy as a close local contact makes for a very efficient program for SCI Detroit members.
