BELIZE – 6 DAY FISHING/DIVING/SWIMMING VACATION FOR 2 PEOPLE:

Welcome to an adventure of a lifetime. Your journey begins with your arrival on Sunday in Placencia, Belize in Central America. That day is for you to explore the town, with dinner on your own, but that night's lodging is provided in one of the quaint local inns. Monday morning you're off to your own remote island 25 miles off shore on the edge of the continental shelf. You will fish your way to the island catching the day's dinner in route. For the next 4 nights, your home will be one of 3 beautiful stone bungalows on a one-acre pristine island with palm trees and hammocks and the best diving and fishing to be found anywhere. Because of the remote nature of the location, the area is practically untouched, and the island waters are teeming with giant coral reefs and fish just feet from the shore. **You may choose to fish every day or dive every day or a combination of both each day.** All of them are included in addition to the amazing snorkeling right next to your bungalow. With only 3 bungalows, there are no worries about crowds, as the island guest capacity is only 8 persons. The food here is second to none with fresh seafood (that you catch) prepared for you. You can free-dive for lobsters in the summer (season opens the middle of June), spearfish for lion fish, and catch by baited-hook-and-line the various fish that are always present such as barracuda, snappers, groupers, tuna, marlin, swordfish and bonefish. Learn to scuba dive with the certified dive masters or just snorkel in crystal clear shallows. This island trip comes to an end on Friday with your trip back across 25 miles of calm gulf waters to Placencia. Included in this package to be taken November to July in 2018 or 2019 are: 5 days and 4 nights on the island; 1 day and 1 night in Placencia; airport pickup and return; lodging; food; local beers, rum, water and soft drinks on the island; guides, boats and fishing tackle; scuba diving equipment and air tanks; snorkeling equipment; and instruction by dive masters. Extra persons are welcome at \$1995 each if 12 or older and \$998 if younger than 12. Can upgrade to full private island for \$6000 total for 8 people. Not included are: roundtrip airfare to Placencia, meals in Placencia the first day, and gratuities to guides and staff. Contact Drake Dawson directly for more details and to book the trip.

MISSOURI - 5 DAY DEER AND TURKEY ARCHERY HUNT FOR 2 HUNTERS:

Two hunters come join us on a quality free-range **archery hunt for five days for whitetail deer and turkey with bows or crossbows** in beautiful central Missouri. We are the only Licensed Guide & Outfitter hunting the pristine Mark Twain National Forest of Missouri on a special use permit. With nearly 25 sections of property within a 10-mile radius of our home and lodge, there is ample opportunity for you to harvest your trophy deer and turkey. The National Forest is dotted with private land, row crops, creeks, oak and hardwoods forests, and open fields. The SCI #2 Midwestern non-typical whitetail was taken within our area with a bow. In 2018, we will guide only 6 hunters per week on a vast network of nearly 30 stands. Missouri has a 4-point buck antler restriction which means realistic expectations for 130-150" class whitetails. Game cameras will help determine stand location and buck activity. We have upgraded our stands to include folding-seat stands, metal ladder stands w/surround bars and top-notch climbers. Stands are strategically placed on corridors, trails and feeding areas. Tracts of land range in size from forty acres to several thousand acres. All the access to stands is on foot. Stand distance can be from 100 yards to two miles from a road. Your guides will place you in your stand, and will recover all your game; however, a GPS is a good idea. We are an official ARGO outfitter, so transportation is not a problem but is a lot of fun. One buck, one doe and two turkeys of either sex are included in your tag. There is no charge for fishing in our 40-acre private lake, small game hunting and waterfowl hunting in season. Hunts are conducted from September 15 thru November 7. You arrive Sunday after lunch and depart Friday after lunch. Lodging is provided at our private estate with fine wine, gourmet meals, and a full open bar of beer and spirits. Evening meals are normally taken in the formal dining room with stories being told well into the night. Donation includes: 5 days & 5 nights lodging; meals, beer and spirits; guides, transport while hunting, trophies recovery and transport to local game processor and taxidermist; fishing, small game and waterfowl hunting in season; and trophy fees on 1 buck, 1 doe, and 2 eastern turkeys per hunter. Safari Unlimited has been previously honored as 2014 North American PH of the Year. Contact Drake Dawson directly for more details and to book your hunt.
